Dear Ambassador,

Virtual Tour for Embassies: "14th Kawasaki International Eco-Tech Fair"

The United Nations Industrial Development Organization, Investment and Technology Promotion Office, Tokyo (UNIDO ITPO Tokyo) presents its compliments to the diplomatic delegations in Tokyo, and has the honor to announce a programme of the captioned **online event** for embassies in Tokyo, on **Wednesday, 24 November 2021**, in collaboration with Kawasaki City.

Kawasaki City hosts the "Kawasaki International Eco-Tech Fair" each year with an aim of promoting innovation and revitalizing industries in the environmental field. The goal of the fair is to disseminate the information on prominent environmental technologies and expertise found in Kawasaki and share them with Japan and the world. This will provide a central venue for exchange that will pave the way for developing the market, expanding sales channels and forming new networks.

The 14th Kawasaki International Eco-Tech Fair will be held as an online exhibition from 16 to 26 November 2021, with the new addition of face-to-face business meetings for participants in the technical exhibition to further enhance business matching opportunities for exhibitors. More information on the exhibition as well as exhibiting Japanese companies can be found at <https://www.kawasaki-eco-tech.jp/english/>

In the past programmes, we invited embassy colleagues to make a physical visit to the exhibition in the guided tour, but this time, the event will be organized virtually, by requesting embassy colleagues to connect online through your PC or smart phone. Several selected Japanese exhibiting companies will explain their technologies, followed by the Q&A session. We wish that this event would offer online matching opportunities between your country and Japanese technologies. Please take a look at the next page for more detailed programme.

We encourage you and your colleagues at your Embassy to take part in this programme. Please register your participation from here: <https://forms.gle/aqHpxNKq9T9dwVeH8>

UNIDO ITPO Tokyo avails itself of this opportunity to renew to the diplomatic delegations in Tokyo of its highest consideration.

Sincerely yours,

Yuko Yasunaga
Head, UNIDO ITPO Tokyo
