Middle East Rail
The largest rail conference and expo in the Middle East and North Africa
A small conference over a decade ago, Middle East Rail has grown to become the largest and most established rail event in the Middle East, North Africa and Central Asia; now recognised as a leading international rail event.
It is the only rail event to be run in partnership with the UAE government, hosting more regional and international government representatives than any other rail show.
Middle East Rail is the unrivalled platform for the region's railways industry to come together, to learn, to network and to do business.

Abu Dhabi International Book Fair 2023

The Abu Dhabi International Book Fair is the bedrock of the publishing industry across the Middle East and North Africa.

The Fair looks forward to stepping up its competitiveness, consolidating its regional position and enhancing its global presence through excellence in providing professional and cultural content. It also seeks to combine the regional publishing sectors and creative industries and encourage endeavors to support industries that contribute to enhance readable, visual, audio and interactive culture, thus consolidating Abu Dhabi's position as a hub for Arab publishing and global creative content.
