Fiitnet Senegal is a trade fair to boost the economy of Senegalese and African businesses, promote the cleaning sector, participate in economic emergence, allow exhibitors

7nd edition **ForELLE** entrepreneurs SENEGAL Capacity building entirely dedicated to socio-economic transformation **JUNE 2024** For more information please contact:

+222 7943 7820.3/+2227873 399 28 The objective of this event is to support the sustainable development of Sub-Saharan Africa through the entrepreneurship of women and young people

On the sidelines of this event, a conference dedicated to the careers of women entrepreneurs who operate in key sectors of the Senegalese economy is on the program. This conference will be an opportunity for these women leaders to connect with financing players and local and international support structures in order to accelerate the growth of their businesses.
