18th - 21st January 2024
Begumpet Airport, Hyderabad, India

Civil aviation industry in India has emerged as one of the fastest-growing industries in the country during the last three years. India has become the third-largest domestic aviation market in the world and is expected to overtake the UK to become the third-largest air passenger market by 2024.

India's Civil Aviation industry has flown many miles, set numerous milestones, and overcome many challenges to become one of the world's most lucrative aviation markets. The growth of the sector has been monumental. To unleash its true potential, the government has set up a roadmap to achieve the vision of 2047 for the civil aviation sector of India focusing on policies to add remote and regional areas to the map of Indian aviation.
