ABOUT IFTECH PAKISTAN

IFTECH is recognized as Pakistan's only global B2B show for the industry to acquire, employ and present their products, services, and solutions dedicated on moving the food manufacturing industry for a more viable, robust, supple and proficient future.

Since 2004, IFTECH has been prioritized by international suppliers to connect with Pakistan's food and beverage manufacturers. Despite a gap of three years due to Covid-19, IFTECH Pakistan 2022 was a remarkable success with over 70% of the foreign participation successfully closed deals with customers from all over the country.

IFTECH Pakistan 2023 will be a must-attend platform for the industry, as it addresses boosting operational efficiency, motivating responsible sourcing with proficient supply chains and sustainable practices across the entire F&B manufacturing value chain with a global perspective.
