

[Importing electronic appliances standard]

In general, the following documents are needed for clearing customs for home appliances such as induction, refrigerator, washing machine, drying machine etc.

- Safety Certification (Please refer to “3-1.SafetyCertification_ELECTRICAL APPLIANCES AND CONSUMER PRODUCTS SAFETY CONTROL ACT)
- Radio wave certification (Please refer to “3-2.RadioWaveCerficiation_Radio Waves Act1”)

For any items having direct contact to the food such as grill, grinder, mixer, water heater etc.

- It is compulsory to report to the Ministry of Food and Drug Safety based on Special Act on Imported Food Safety Control.
- Please refer to “3-3.ApprovalfromFoodMinistry_SPECIAL ACT ON IMPORTED FOOD SAFETY CONTROL”.

*For customs, refer to “Import Declaration Guideline”
